Legislation

1.1 The Equality Act 2010 ("the Act") provides a modern, single legal framework with three broad duties:

- Eliminate discrimination;
- Advance equality of opportunity; and
- Foster good relations.

1.2 The School fully understands the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- Age;
- Disability;
- Race, colour, nationality, ethnic or national origin;
- Sex (including transgender);
- Gender reassignment;
- Maternity and pregnancy;
- Religion and belief;
- Sexual orientation; and
- Marriage and civil partnership (for employees).

1.3 In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties.

These are to:

- Publish equality information – to demonstrate compliance with the general duty across its functions - We will not publish any information that can specifically identify any child.
- Prepare and publish equality objectives - to do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a School. This will include the following functions:
 - Admissions;
 - Attendance;
 - Attainment;
 - Exclusions; and
 - Prejudice related incidents.

1.4 Our objectives will detail how we will ensure equality is applied to the services listed above however; where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion (see Community Cohesion Policy).

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

1. The Policy

The School's Equality Information and Objectives Policy draws together all previous equality legislation and details how the School is fulfilling the requirements of the Act.

2. Our School Values

- 1) Ready and willing to learn.
- 2) Resilient and put 100% effort into all we do.
- 3) Respectful of others, our school and property.
- 4) Empathetic and understand how people feel.
- 5) Self-controlled with our actions and words.

When we follow these values we are:

- The best version of ourselves at all times.
- Proud of ourselves, our school and each other.

3. Addressing Prejudice Related Incidents

- 3.1 Reevy Hill is opposed to all forms of prejudice and recognises the impact that prejudice has on the attainment and progress of young people. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to the Local Authority using their guidance material. The Local Authority may provide some support.

4. Objectives

- 4.1 In achieving compliance with the Act, objectives are set annually. Detailed below are the School's current set of overriding objectives.

4.2 The School will make reasonable adjustments to meet the needs of disabled pupils and implement an accessibility plan aimed at:

- (a) Increasing the extent to which disabled pupils can participate in the curriculum;
- (b) Improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and
- (c) Improving the availability of accessible information to disabled pupils.

4.3 The School's leaders accept and welcome their responsibility to have due regard in decision-making and actions to the possible implications for pupils with particular protected characteristics. They will consider equality implications before and at the time that they develop policy and take decisions.

5. Responsibility

5.1 We believe that promoting equality is the whole School's responsibility.

How does the School eliminate discrimination and other conduct that is prohibited by the Act, advance equality of opportunity between people who share a protected characteristic and people who do not share it, and foster good relations between people who share a protected characteristic and people who do not share it?

The School does this by measures that include:

- (a) for pupils - implementation of policies on equal opportunities (including race and gender equality, special needs, behaviour and anti-bullying);
- (b) for staff - implementation of policies on equal opportunities, recruitment and selection, pay and anti harassment policy;
- (c) PSHCE, SRE, RE, Whole school assemblies and further curriculum enrichment opportunities that promote friendship and understanding about cultures and lifestyles;
- (d) employing specialist staff to support pupils with special needs or disabilities, and implementing the School's disability access plan;
